Subject: Notice of File Closure, Jack Wayne Roberts, 3 Guys #1(#3), S/027/085, Millard Counties, Utah

Dear Mr. Roberts:

The 3 Guys Gem #1(#3) Small Mining Permit, File Number S/027/085 located in Millard County, Utah, will now be closed and the file retired. An August 1, 2006 letter from the BLM confirms that they have closed and released the site. On March 20, 2003 a site inspection was preformed by the BLM revealed that reclamation had been satisfactorily completed and on March 27, 2003 a Notice Expired-Reclamation Satisfactorily Completed letter was issued by the BLM. The Division tried unsuccessfully to locate the site in August of 2004.

You are now released from further mining or reclamation responsibilities at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(s), prior to creating any disturbance. If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Tom Munson at (801) 538-5321.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Tom Munson at (801) 538-5321.

Sincerely,
